25/2

Points proposed to be discussed at the meeting of the interview of the members of the Bhadravati Municipal Council with the Minister for Local Self-Government and Public Health on 28th October 1944.

1) Bhadravati Drainage.

I

The Drainage scheme of Bhadravati was sanctioned in 1939 at an estimated cost of Rs 26,000. The first stage of it costing Rs 6,000/-, was completed and the work left at this stage on the ground that the original estimate required certain technical modifications The revised estimate in the matter was countersigned by the Bhadravati Town Municipal Council and returned to the Sanitary Engineer for carrying on the work. The Director of Public Health was requested in this office letter dated 12th August 1944 to send immediately a comprehensive report showing the progress so far made in the execution of the Drainage Scheme and the stage at which the work is pending. His reply in the matter is awaited.

The Dewan in his special memo dated the 9th August 1944 has ordered that the remaining stages of the Drainage work at Bhadravati may be entrusted to the Public Works Department for execution The Municipal Councillors have now urged the same thing Now that the Bureau of Sanitary Engineering has been transferred from the Public Health to the Public Works Department, no action appears necessary in this behalf.

In regard to the extension of the Drainage Scheme to the town which has grown further since the time of preparation of the original Drainage Scheme, necessary instructions may be issued to the Chief Engineer for Irrigation.

11 A note has been called for from the Director of Public Health in the matter by the Medical Branch.

B) Public Health and Malaria Control

111 Originally a sum of Rs 10,000/- was sanctioned out of the Special Malnad Improvement Grant of 2 lakhs of Rupees for acquiring the ugly structures on both the banks of the river at Bhadravathi. A sum of Rs.10,000/- sanctioned for the purpose was drawn and placed at the disposal of the Land Acquisition Officer, Bhadravati in August 1942 The acquisition proceedings were taken in this respect as early as in January 1943 and they are in various stages of progress.

C) Lay-out and Acquisitions.

On the representation of certain Municipal Councillors to the Minister for Local Self-Government in February 1944 for the grant of an additional sum of Rs.10,000/-, a loan to that extent was granted to the Municipality in the Government Order dated 31st August 1943 for the purpose of acquiring certain wet lands as an anti-malaria measure and to prepare a suitable layout for the town The Deputation now pray that an expert may be requested to give them a lay-out consulting the local needs immediately and have asked for a grant of another sum of at least Rs 10,000/- to help the Municipal Council to proceed with the lay-out and acquisition work. The Government Architect has been requested to take immediate action to prepare the lay-out and submit it to Govt.

D) Elected President to the Bhradavati Municipality

A resolution of the Bhadravati Municipal Council was received during the time when it was a minor Municipality to the effect that the privilege of having a non-official President may be granted to it A reply was given to the effect that after the conversion of the same into a Town Municipality and its working watched for some time, the question of the grant of the privilege would be considered. Bhadravati has been converted into a Town Municipality with effect from 1st July 1944.

MSB 29/6

1) The above notes are submitted with reference to the orders of the Minister dtd. dated 27.10.44 passing below
The available reports are also passing

2) Application for conversion (pt) from a major municipality, 28/10/44 Do there any resolution from the Bhadravati Municipality requesting for a non official President? It may be passing 30.10.44

3) It has been noted today for the Hon'ble Minister with please submit up. 30/10/44

Sept 28/9

Letter No M3 PH 408-c 2566/43-44
dated 26 10 44 from the D.C Shimoga Dist
recommending for the grant of privilege
of having non-official president to the
town M.C Bhadravati

4) Subd. The Bhadravati minor
unity was converted into a town unity
from 1 6 44 On 30 dated 30 7 44, the
question of granting the above privilege
was deferred as it was too early to
form an opinion on its working

5) Now the D.C, in forwarding the
resolution of the M.C passed on 29 9 44,
recommends that in view of the growing
importance of the town and of the work
of the M.C being quite good, the
~~privilege~~ M.C may be given the privilege
of having their own non-official president.

6/11 Please put up the file relating
to the deputation of certain members
of the M.C to represent
certain matters relating to the
Unity. Minute has, in that
file, dealt fully with the
reasons in the one now received
from the Dist

Sir

Bhadravati Municipal Council - Non-Official President for the -

Adverting to your letter No L 21/Ml 42-43-129 dated 3-7-1944 on the above subject I have the honour to state that Bhadravati Municipality has been converted into a Town Municipality with effect from 1-8-44. The reconstituted municipal council met on 29-9-44 and unanimously resolved to approach Government for the grant of the privilege of having a non-official President for the Municipal Council Bhadravati Town is growing in importance and the work of the Municipal Council is quite good I therefore recommend that the resolution of the Municipal Council, which is supported by the present ex-officio President may be favourably considered and the council given the privilege of having a non-official President

The copy of the resolution of the Municipal Council and the letter received from the President accompany for kind perusal

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Shimoga District

Letter No M C 83/44-45 dated 6-10-1944 from the President, Town Municipal Counc Bhadravati to the Deputy Commissioner, Shimoga District

---

In submitting herewith an extract from the proceedings of the General Ordinary meeting held on 29-9-44, I have the honour to state that the Municipal Council have resolved that the right of electing their own non-official President might be got sanctioned in view of the Municipal Council devoting full attention mainly for the improvement of the town with grat zeal and having many able councillors of full experience in the Administration of the Municipal work and as promised by Government very recently Therefore, I request you kindly to recommend to Government for sanctioning the proposals of the municipal council

TO

RAJAMANTHRA PRAVINA

H B Gundappa Gowda Esq., B A ,LL B

Minister for Local Self Government

and Public Health, with the Government

of H H the Maharaja of Mysore,

Bangalore

Sir,

We the Members of the Bhadravti Town Municipal Council, beg leave to place before you the following urgent and important wants of our Town for your favourable consideration

DRAINAGE

A comprehensive scheme of drainage for this town at a cost of Rs 26,000/- was sanctioned by the Government in the year 1939 The work was to be taken up in five equal annual instalments, half the cost being provided by the Municipality and th other half to be met by the Government grant. The first two stages of this work were taken up and completed by the Beruea of Sanitary Engineering in the year 1941 From that year onwards unicipal quota of the cost and the Government grant have been accumalating with the Beruea of Sanitary Engineering and we are sorry to state that inspite of our repeated requests the work has not been taken up by the Department with the result the sanitation and health of the town have suffered a serious set back

In the absence of the system of drainage, the Municipality, inspite of the great pains that it has been taking in the improvement of the town

town, has not been able to achieve satisfactory results

We most earnestly request you therefore to be pleased to transfer the execution of all the remaining stages of this work to the Public Works Department, placing the Assistant Engineer, Bhadravati in charge and directing him to complete the entire scheme in one lump after revising the estimates in accordance with the prevailing departmental rates We further request that the balance of the Government grant for this scheme may be sanctioned and paid at once

We take this opportunity of bringing to your kind notice that after the sanction of this scheme in the year 1939 the town has developed extensively thus calling for further extension of drainage system We request you therefore to please order the preparation of supplemental scheme for providing drainage to the extensions of the town also sanctioning the grant for the purpose

PUBLIC HEALTH AND MALARIA CONTROL -

While we are thankful to you for the establishment of an Anti-malaria Unit at Bhadravati through which agency the spraying of the houses in the town is being done, we yet regret to bring to your notice that the health of the Town is not as good as it was xx when the Anti Malaria measures were being undertaken by the Municipality We have to revive the larvicidal measures, the filling of stagnent pits and removal of rank vegetation

all

all over the town together with intensified spraying To enable us to do this work satisfactorily we request you sanction a staff consisting of two Sanitary Inspectors and 15 Gangmen exclusively for our town transferring the control of this staff to the Municipality further request an annual grant of atleast Rs 5,000/- may be sanctioned to take up this important work which is absolutely necessary in the interests of public health.

LAY OUT AND ACQUISITION -

The Municipality has with the kind help of the Government acquired large wet areas with the object of improving public health as also to provide dwelling areas to the increasing population of the town It is necessary that these are to be divided into building sites in accordance with the systemetic lay out to be prepared on sanitary lines. We request you to please direct an expert to give us such a lay out consulting our local needs immediately and thus enable us to proceed to disposing of these sites

We further beg to state that there is need for further acquisition with the triple object of controlling spread of malaria, relieving congestion and providing cheap dwelling sites to the numerous agricultural and industrial labourers who have no houses of their own We most earnestly request you to sanction us a grant of atleast Rs 10,000/- to help us to proceed with this necessary and costly work.

ELECTED PRESILENTSHIP -

We are thankful to you for having kindly converted our Municipality into Town Municipal Council We beg to state in this connection that all the Councillors are giving their unanimous support to the Municipality in all its - affairs and the Council is working with the utmost hormony The Council has also passed an unanimous resolution on

the

the 30th September 1944 praying for the grant of Non-Official Presidentship to our Municipality We take this opportunity of earnestly requesting you to be - pleased to grant us the previlege of electing a Non-Official President to the Municipality very early

In conclusion we are thankful to you for having us this opportunity of placing before you our wants and most sincerely hope that all our requests will meet with your very favourable consideration and approval

We beg to remain,
Sir,
Yours faithfully,

TO

Rajamantra Praveena,

H B Gundappa Gowda, Esqr., B A , B L.,

Minister for L S G & Public Health with the

Government of H H the Maharaja of Mysore, BANGALORE

Sir,

We the members of the Bhadravati Town Municipal Council beg leave to place before you the following urgent and important wants of our Town for your very favourable consideration.

(a) DRAINAGE

A comprehensive Scheme of drainage for this Town at a cost of Rs 26,000/- was sanctioned by the Government in the year 1939 The work was to be taken up in five equal annual instalments, half the cost being provided by the Municipality and the other half being met by the Government Grant

The first two stages of the work were taken up and completed by the Bureau of Sanitary Engineering in the year 1941. From that year onwards, the Municipal quota of the cost and the Government grant have been accumulating with the Bureau of Sanitary Engineering and we are sorry to state that inspite of our repeated urgent requests, the work has not been taken up with the result that the Sanitation and health of the Town has suffered a serious set back

In the absence of the system of Drainage, the Municipality inspite of the great pains it has been taking in the improvement of the Town, has not been able to achieve satisfactory results.

most earnestly request you therefore to be pleased

to transfer the execution of all the remaining stages of work to the P Department placing the Local Assistant Engineer in charge, directing him to complete the entire scheme after revising the estimate in accordance with the prevailing departmental rates We further request that the balance of the Government grant for the scheme may kindly be anctiondd to enable the work to bo completed.

We take this opportunity of bringing to your kind notice that after the sanction of tne Scheme in the year 1939, the Town has developed extensively thus calling for further extention of the Drainage Systems.

We therefore request you to please order the preparation of Supplimental Scheme for providing drainage to the extended area also sanctioning a grant for the purpose

(4) PUBLIC HEALTH AND MALARIA CONTROL

While we are thankful to you for the Establishment of an Anti-Malaria Unit near Bhadravati through which agency the spraying of houses in the town is being done, we yet request to bring to your notice that the Health of the Town is not as good as it was when the Anti-malaria measures were being undertaken by the Municipality.

We have to revive the Larvicidal measures, the filling of stagnent pits and Removal of rank vegetation all over the Town together with intensified spraying To enable us to do this work satisfactorily, we request you to be pleased to sanction a staff consisting Two Sanitary Inspectors and 15 Gangmen exclusively to our Town, transferring the control of this staff to the Municipality. We further request that an annual grant of atleast Rs 5000/- may please

be sanctioned to take up this important work, which is also absolutely necessary for the betterment of Public Health.

(9) LAY OUT AND ACQUISITIONS

The Municipality has with the kind help of the Government been able to acquire large wet areas with the object of improving Public Health as also to provide dwelling areas to the increasing population of the Town It is necessary that these are to be divided into building sites in accordance with a systematic Lay-out to be prepared on Sanitary lines We request you to please direct an expert to give us such a Lay-out consulting the Local needs immediately and thus enable us to proceed in disposing these sites

We further beg to bring to your notice that there is need for further acquisitions with the Triple object of controlling spread of Malaria, relieving congestion, and providing cheap dwelling sites to the numerous Agricultural and Industrial labourers who have no houses of their own we most earnestly request you to please sanction us a grant of atleast Rs 10,000/- to help us to proceed with this very necessary and costly work

ELECTED PRESIDENTSHIP

We are thankful to you for having kindly converted our Municipality into a Town Municipal Council We beg to state in this connection that all the Councillors are giving their unanimous support to the Municipality in all its affairs and the Council is working with the ut ost hormony The Council has also passed an unanimous Resolution on the 30th September 1944 praying for the grant of Non-official Presidentship to our Municipality.

We take this opportunity of earnestly requesting you to be pleased to grant us the privilege of electing a Non Official President to our Municipality very early.

In conclusion, we most sincerely hope that all our re requests will meet with your very favourable consideration and approval.

We beg to remain,
Sir,
Very faithfully, Yours,

Bangalore.
